

INTER-COMPANY GUARANTEE

121 overseas client:

Full contract value: £

Payment profile:

121prodata Limited require a UK based company to stand as guarantor on behalf of overseas companies who engage in business that either:

- a) result in payment after goods or services are delivered
- b) where pricing is based on annual supply and without full payment in advance

Guarantee requirement:

Guarantor's commitment

The Guarantor agrees to accept full responsibility for any default in payment by the overseas client up to the unpaid balance of the full contract value.

UK corporate guarantor:

Company registration No:

I declare that the above named company will accept the full guarantor's commitment as detailed above for and on behalf of the named overseas client.
